Name (all family members): _____

Address: _____

Phone: _____ Email: _____

Will share with (optional): _____

If willing to volunteer, please answer the following:

How much time? _____

When are you available? _____

The 2020 Dreamcatcher Farm season will be approximately 22 weeks. It will start in May and extend until October. We strive to provide a balance of fresh vegetables in every distribution. Our fruits and vegetables are pesticide free and nutrient dense, produced using bio-organic cultural practices. The farm strives to be a valued part of our community and of the family members who support it.

Pick-up day is Friday afternoon from 4 to 6 p.m. at the farm stand on Route 192. If you cannot make it on pick-up day, you may arrange for someone else to pick your share up for you. You can also email us to make other arrangements, as we have a cooler that can store your produce for a few days.

The price of a share is \$600. If you wish to share with another family, please have them complete an order form also. We have found the most efficient method to accomplish this is for each member to select their own partner. We can help if you are at a loss. We plan and distribute your produce on a full-share basis and then find it most equitable if you divide your share with your partner.

A continuing feature this year is a sponsorship subscription. You may purchase a half or full share for a local family in need of a little help.

Shares are transferable but not refundable.

We are in the process of ordering seeds and supplies for the coming season: a \$200 full share deposit is requested. Payment in installments works for us, as long as payment in full is received by the end of May. Please complete this form with check payable to J. Detelj (real name, as bank will not accept a fictitious one), and mail the completed form and check to the address above.

Thank you for your support! We look forward to seeing you at the farm.
